

THE INSTITUTE OF CHARTERED SHIPBROKERS (IRELAND)

is pleased to offer the following Courses in 2023/24:

FOUNDATION DIPLOMA IN SHIPPING (FD)

ADVANCED DIPLOMA IN SHIPPING (AD)

PROFESSIONAL QUALIFYING EXAMINATIONS (PQE)

These courses are suitable for all those involved in the world of shipping e.g. liner trades, port agency, transport, freight forwarding, port operations and shipping finance.

The Foundation Diploma is principally intended for those new to the Industry. The Advanced Diploma is intended for those who have some basic knowledge of shipping but who feel at the initial stage that the PQE is too much for them to undertake. The Professional Qualifying Examinations are undertaken by those who wish to become Members of the Institute of Chartered Shipbrokers.

The Foundation Diploma Course covers **Introduction to Shipping** and a choice of Port Agency, Port & Terminal Management, Liner Trades, or Economics of Sea Transport whilst The Advanced Diploma covers **Shipping Business** and either Port Agency, Port & Terminal Management, Liner Trades, or Economics of Sea Transport. Those who wish to take the Professional Qualifying Examinations can take any of the above courses, as well as Legal Principles in Shipping Business as part of their qualification. These Courses receive support from the Irish Maritime Development Office (IMDO).

We are pleased to confirm that classroom-based teaching will resume this Academic Year in a hybrid-model. Class will take place predominantly at the National College of Ireland, Mayor Street Lower, IFSC, Dublin 1. Three of the classes will be held online to alleviate the travel pressures for students based outside of Dublin (details overleaf).

REGISTRATION

Lectures for this Academic Year will be held at the National College of Ireland, Dublin 1, with three of the eight classes online via conferencing software. We hope this will further facilitate the enrolment of those based in key shipping areas outside of Dublin, while still providing a class-based teaching and invaluable networking amongst students:

DATES: 30th September 2023
21st October 2023 (online)
18th November 2023
9th December 2023 (online)
13th January 2024
